The Kingdom-impact International Network

Thank you for your interest in becoming part of KIN! The Kingdom-impact International Network (KIN) was founded by Apostle Michael Scantlebury in 2004 and is now being launched in 2016 and is headquartered in Vancouver, Canada. He is also the Apostle and Overseer of Dominion-Life International Ministries in Vancouver, BC, Canada a multi-ethnic, multi-racial church. Apostle Scantlebury is an apostolic reformer, who has ministered in Canada and in over 19 nations. He has authored over 17 books.

KIN is an expanding global network of like-minded Apostles and Prophets, including all Five-Fold ministries, and the churches, ministries, and organizations that they lead. Relating together in covenant partnership and under the apostolic oversight and visionary leadership of Apostle Scantlebury, those affiliating with KIN will share in a divine mandate to advance apostolic reformation and God's Kingdom agenda in the earth, affecting the destiny of nations, and ultimately realizing the fulfillment of the Great Commission of our Lord Jesus Christ.

This current move of God is rapidly increasing across the earth, and is becoming a major apostolic movement powerfully positioned as a catalyst to bring the Church into new Kingdom positions. Through identifying emerging Apostles and Prophets, teaching present-truth revelation in conferences and seminars, conducting prophetic presbytery, along with the ministry of impartation, there is an acceleration of apostolic grace and anointing to build strong governing territorial “Antioch” churches, along with releasing relevant cutting edge apostolic and prophetic ministries that are changing the spiritual atmosphere over nations and regions.

More detailed information on our vision and policies are outlined in our Vision Booklet.

There are several categories or ways that you can interact or be a participant in the vision and mandate of KIN and these are listed hereafter.

Seven Categories Of Affiliation With KIN

1. KIN Ministers Affiliation for Apostles, Prophets, Evangelists, Pastors and Teachers. (This is for proven ministries)
2. KIN Affiliation for Churches.
3. KIN Affiliation for Trans-Local/Itinerant Ministries, who are a part of a local church.
4. KIN Affiliation for Kingdom Organizations.
5. KIN Affiliation for Apostolic and Prophetic Training Centers and Bible Schools.
6. KIN Affiliation for Kingdom Businesses.
7. KIN Affiliation for Apostolic and Prophetic Networks (The affiliating network does not lose its corporate identity or name, and its overseer and leadership maintains complete autonomy.)

Apostle Scantlebury strongly believes that any apostolic oversight and accountability should be strictly biblical, spiritual, and relational. Our resulting position is that each local church has complete autonomy; therefore KIN will exercise no legal authority over it. That is the responsibility of every church's governing eldership and legally required structure. One might call this "covering without control".

Please review all the contents and after reviewing, please submit the KIN Application, Applicant Reference Form, and a current photo by mail to the address below. If possible, email a current digital photo to: admin@kinternationalnetwork.org Call or e-mail our Office, if you have any questions.

KIN AFFILIATION REQUIREMENTS

If you are the senior leader of an independent church, you may both, affiliate yourself as a minister, as well as your church, in which case you will be sent two affiliate certificates, one for minister affiliation and one for church affiliation. This may not be possible if the church is still affiliated with a denomination and you are in transition. In this instance, you would only affiliate as a minister. The same applies to ministries and organizations.

1. KIN MINISTER'S AFFILIATION:

This affiliation category is for proven five-fold ministries. Please submit the following:

- Completed KIN Application
- 2 Recent Photos
- 3 References (Format of references/What type of references)

2. KIN CHURCH AFFILIATION:

Please submit the following:

- Completed KIN Application
- 2 Recent Photos of Senior Leader
- 3 References
- A Brief Overview of the Church

3. KIN TRANS-LOCAL MINISTRY AFFILIATION:

This category is primarily for trans-local or itinerant traveling ministries.

- Completed KIN Application
- 2 Recent Photos
- 3 References
- A Brief Overview of Your Itinerant Ministry

4. KIN KINGDOM ORGANIZATION AFFILIATION:

This category is to include those that would be involved in organizations such as humanitarian/relief type operations, medical missions, international apostolic missions, non-profit and community organizations, etc.

- Completed KIN Application
- 2 Recent Photos
- 3 References
- A Brief Overview of the Organization

5. KIN APOSTOLIC AND PROPHETIC TRAINING CENTERS AND BIBLE SCHOOLS:

This category is for Training Centers and Bible Schools who desire to transition to a stronger apostolic, prophetic and deliverance emphasis along with a more revelatory present truth curriculum and greater emphasis also on impartation through affiliation with KIN

- Completed KIN Application
- 2 Recent Photos

- 3 References
- A Brief Overview of the School or Training Center

6. KIN KINGDOM BUSINESS AFFILIATION:

This category is for kingdom business leaders who desire to impact their sphere of influence in the business world with the apostolic and prophetic anointing that God is releasing in this hour.

- Completed Application With Recent Photo for Business Leader
- 3 References
- An Informational Overview of the Business

7. KIN APOSTOLIC/PROPHETIC NETWORK AFFILIATION:

This category is for apostolic or prophetic networks that desire affiliation. The affiliating network does not lose its corporate identity or name, and its overseer and leadership maintain complete autonomy. The churches, ministries and ministers in that affiliating network would only then relate to KIN in a secondary limited capacity. The network's overseer and headquarters church would relate to Apostle Scantlebury and KIN; in a more primary capacity.

The level of the network's relationship to KIN, then, is determined by the network's overseer and leadership. If any churches or ministers in the affiliate network decide they would prefer to relate directly to KIN, then the network's overseer must give his blessings. This is necessary to maintain healthy apostolic relationships.

- 3 references

KIN FINANCIAL INFORMATION

It is the joy of our hearts and desire of our souls to follow the Holy Scripture in totality. We joyfully embrace the concepts of holiness, submission to authority and the ordinances of our faith. We also adhere to the mandate of returning to our Lord, as per the Holy Scripture found in Malachi 3:6-12.

Even as the local church encourages its members to tithe, we embrace and adhere to the same Biblical concepts in Malachi 3:6-12 for churches and ministries. As members of churches give to God ten percent of their income along with their offerings, as churches and ministries we also need to give our tithes and offerings, that the devourer will be rebuked and blessings from the Windows of Heaven will pour into our lives.

While there is not an initial application or administrative fee in joining the network, we would like to at this stage provide a way forward for financial contribution into the network.

Apostle Scantlebury has not made tithing into KIN a definitive requirement for those persons who desire to affiliate with KIN. Tithing into KIN does make a definitive distinction between a member of the Kingdom-impact International Network, and an affiliate of KIN. **Persons who tithe into KIN are members** and the **persons who sow seeds are affiliates.**

Your financial seeds cause the Kingdom-impact International Network to accomplish much for the Kingdom of God. While it is not a set requirement for your ministry to tithe and sow into the vision of the Lord that He has given Apostle Scantlebury, it is our sincere prayer that you will.

It is a tremendous opportunity for you to sow into a work of grace that will pray for you, that will seek the Lord concerning you, and one that will stand with you in trying times. Your financial giving helps us with the tremendous expenses of what we are doing around the world.

We ask that you would choose to "sow where you grow", but please know that it will never be an etched-in-stone requirement. We want to encourage all of our KIN affiliates to stand with us in prayer and by sowing into this awesome vision. What we are doing in Canada and in the nations of the world is greatly strengthened through your regular giving and your support.

Because you make the decision of your covenant with the Kingdom-impact International Network, please indicate your preference as a member or as an affiliate:

_____ Yes, my church/ministry will tithe into the Kingdom-impact International Network, therefore we covenant with the KIN Network as **Members.**

_____ Yes, my church/ministry will sow seeds but not tithe into the Kingdom-impact International Network, therefore we covenant with the KIN Network as **Affiliates.**

Please send all funds to our mailing address on the cover in US Dollars with the appropriate bank draft, or by credit card. Please email directly to the KIN Headquarters via our website www.kinternationalnetwork.org/give-online and confirm with a follow up email sent to admin@kinternationalnetwork.org to confirm the amount sent to us and to specify what the funds are being applied to.

KIN ORDINATION REQUIREMENTS

Ordination is not a requirement for KIN affiliation, since many ministers have either been licensed or ordained through other churches, organizations or denominations. We realize there are some who may feel because their previous ministerial ordination did not involve the Presbytery of Apostles and Prophets to impart and prophesy into their lives, they would desire to receive a fresh commissioning and ordination.

If you desire ordination from the KIN Network, you must meet the qualifications below, and then submit a request for review.

Ordination is for proven Five-Fold Ministers of the Gospel, who have the fruit (works) of the Five-Fold office they are called to and are requesting ordination for. The candidate for ordination will be of good character meeting the requirements of 1 Timothy 3.

To be considered for ordination, you must submit a KIN application including the 3 references, and on a separate paper give us a summary concerning your calling and ministry, and why you desire KIN ordination.

Please allow 6-8 weeks for your documentation to be reviewed in full. One of the Network's Leaders will call to schedule a personal interview with you.

If you are approved for ordination, credentials and prophetic presbytery will take place at an upcoming KIN Gathering or at a place and time agreed upon by KIN and the applicant.

Upon completion of the commissioning and ordination service, you will receive KIN credentials in the form of an official Certificate of Ordination that can be framed, and a wallet sized laminated KIN membership card.

KIN Application Form

Blessings! We would like to thank you for your desire to become a part of the Kingdom-impact International Network. In completing this application, please note the requirements for your preferred Category of Affiliation. Mail your completed application, photos, and your Applicant References to our Headquarters in Vancouver, Canada. You will then be contacted by one of our representatives about your application.
